(Fernley, Nevada) )

**PETITION FOR RULEMAKING**

To the Chief, Allocations Branch:

1. Linda A. Davidson ("Petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purpose of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated:
2. Petitioner proposes the Commission allot FM channel 231C3 to Fernley, Nevada as its first local FM service. This would require amending Section 73.202(b) of the Commission's rules as follows:

<b><u>Community</u></b>	<b><u>Present</u></b>	<b><u>Proposed</u></b>
Fernley, Nevada	-	231C3

3. Fernley is a Census Designated Place located in Lyon County, Nevada. In 2000, the United States Census Bureau estimated Fernley had a population of 8,543 persons.
4. FM channel 231C3 can be assigned to Fernley in full compliance with the Commission's minimum distance separation requirements. Coordinates used are N 39:28:48, W 119:09:00 and are located approximately 15 Km south of Fernley. This site restriction is necessary to prevent short spacings to stations KRLT, S. Lake Tahoe, NV and KHXK, Sun Valley, NV. Petitioner is confident she can find a suitable transmitter site for this allotment if it is assigned as proposed.
5. Petitioner, or an entity with which she is affiliated, intends to apply for a construction permit to activate channel 231C3 if it is assigned to Fernley as proposed. If her application is granted, she shall promptly construct and operate the proposed station.
6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are hers, and are accurate to the best of her knowledge.

Respectfully submitted,

*Linda A. Davidson*
